

PUBLICATION NOTICE OF INCLUSION

The following Application has been submitted to the Huerfano County Water Conservancy District (“HCWCD”) for inclusion of a Participating Diversion into HCWCD’s Regional Augmentation Plan decreed on November 14, 2016 in Case No. 13CW3062, District Court, Water Division 2, State of Colorado (“Regional Augmentation Plan”).

1. Applicant. Siete, Inc., PO Box 202, Rye, Colorado, 81069.
2. Means of Diversion. Direct diversion by pump from the Huerfano River.
3. Location of Diversion. The diversion point is located in the NW1/4 of the NW1/4 of Section 30, Township 26 South, Range 66 West of the 6th P.M.
4. Water Source. Huerfano River
5. Amount Depletion. 8.99 acre-feet.
6. Type of Use. Water use will be for road construction and maintenance activities.
7. Depletions. All diversions will be considered to be one hundred percent consumptive.

HCWCD staff and consultants have determined that the Application is complete and that the Applicant’s proposed diversions and water uses are eligible to fit within the terms and provisions of the Regional Augmentation Plan as Participating Diversions. The Regional Augmentation Plan provides for the replacement of stream depletions to the Huerfano River from Participating Diversions.

Non-parties and parties to the Regional Augmentation Plan are entitled to submit comments on the requested inclusion of the Applicants’ diversion into the Regional Augmentation Plan as a Participating Diversion. Any comments to the proposed Application for augmentation of commercial use must be submitted in writing and received by all of the following parties by October 24, 2023 (“Comment Period”): (i) Huerfano County Water Conservancy District, Attn: Carol Dunn, P.O. Box 442, LaVeta, CO 81055, hcwcdistrict@gmail.com; (ii) Ryan W.
