I understand that the Board of Directors (“Board”) of the Huerfano County Water Conservancy District (“HCWCD”) will rely upon the statements I have made in this Application and that such statements are subject to the provisions of § 18-8-503, C.R.S. § 18-8-503, C.R.S. states that a person commits Second Degree Perjury if he/she makes a materially false statement (*i.e.*, one that he/she does not believe to be true) while under oath with the intent to mislead a public servant in the performance of the servant’s duty. I further understand such statements are subject to the provision of § 18-8-306, C.R.S. § 18-8-306, C.R.S. states that a person commits the crime of Attempting to Influence a Public Servant if he/she attempts to influence a public servant by means of deceit, with the intent to alter the public servant’s decision, vote, opinion, or action concerning any matter which is to be considered or performed by him/her or the agency or body of which he/she is a member.

I understand that the Board’s approval of this Application may be rescinded, whether or not the Board institutes civil or criminal proceedings against the Applicant, if it is determined that one or more of my statements herein are materially false or misleading.

The Applicant further acknowledges and understands the following:

- A. HCWCD charges a non-refundable application fee for processing this Application, the amount of which is determined on a case-by-case basis; subject to paragraph G below.
- B. The amount of the actual application fee will be predicated upon the fees and costs incurred by HCWCD in determining if and how to incorporate my request for water into HCWCD’s substitute water supply plan or regional augmentation plan.
- C. These fees and costs are the result of administrative, legal, engineering, and miscellaneous fees and costs associated with proper application processing.
- D. HCWCD will provide to me an estimated application fee subsequent to my submission of this Application. After being provided the estimated application fee I may choose to decline to have the Application processed, thereby avoiding payment of any application fee.
- E. If I choose to have HCWCD process my application I must pay the entire estimated application fee set forth by HCWCD before HCWCD will conduct any application processing activities.
- F. That HCWCD will endeavor to provide an accurate estimate; however, I understand in some circumstances, the estimated application fee may not be the same amount as the actual application fee. The amount of the actual application fee will be determined after the completion of the application processing. By authorizing the processing of this Application, I agree to pay the actual application fee which shall be the total of all reasonable administrative costs, engineering fees and costs, legal fees and costs, and any other fees and costs incurred by HCWCD in the processing of my Application. I agree to

pay the actual application fee whether or not HCWCD ultimately approves my application, or whether or not I ultimately lease or purchase water from HCWCD.

G. Any amount of the estimated application fee paid by me that is over and above the actual application fee will be returned to me upon approval or denial of my application by HCWCD. Alternatively, any amount of the actual application fee that is over and above the estimated application fee is due by me upon the completion of the Application processing.

H. If I choose to proceed with the application process there is no guaranty or representation of success or the timeliness of inclusion into the HCWCD plan. I understand that if measuring devices or other equipment are necessary for the administration or acceptance of my diversions into the HCWCD plan, that I will be responsible for such costs. Such costs will be separate and in addition to the actual application fee.

I. If my application is successfully processed to include my diversions as augmented under the HCWCD's substitute water supply plan or the regional augmentation plan, I will be required to pay the difference between the estimated application fee and the actual application fee, if any, and to sign a purchase or lease agreement with HCWCD for the provision of the temporary or permanent replacement water, as the case may be under the circumstance. This lease or purchase agreement shall set forth the lease or purchase price and the terms and provisions for inclusion within HCWCD's plan.

J. Such lease or purchase agreement shall be upon terms satisfactory to HCWCD, and I have been encouraged to inquire as to the expected terms and prices for the provision of replacement water by HCWCD.

K. All water uses and the augmentation water supplied to me by HCWCD is subject to the HCWCD legally enacted rules and regulations as they now exist and as they may be added, amended, or supplemented in the future, and I agree to be bound by and comply with all such applicable HCWCD rules and regulations.
